| <p>To increase the club draw members fee during registration from €1 to €5.</p> <p>Rationale:</p> <ul style="list-style-type: none">• This reduces the amount of times the Registrar is required to make contact with the paying member during the registration process.• One step process for the paying member.• Eliminates holding registrations from being completed until €1 is received from the paying member and having to collect/issue reminders for same.• GAA members are registered with immediate effect once payment is made.• NB Registration fee for the LGFA will still require admin from the Registrar and payment to the LGFA before being able to confirm the paying member is registered. | <p>Proposed: Ciarán McGovern Seconded: Deirdre Gillen</p> |
